

Exeter Little League 2017

29779 Road 182, Exeter, CA 93221

To whom it may concern,

Thank you for considering being a sponsor of Exeter Little League baseball. We are a fully qualified 501(c)(3) charitable organization who has provided baseball leagues and tournaments for thousands of boys and girls living in the Exeter, Lindsay, Farmersville, Woodlake and Three Rivers communities. This upcoming season, Exeter has been selected as the host site for the 2017 District 34 Little League Championship Tournament, which will bring hundreds of individuals from throughout our region to Exeter this summer, providing great opportunity for not only our youth, but our local businesses.

As a completely volunteer organization, we rely upon our community sponsors to provide the Little League program for our community youth. We are seeking financial and in-kind donations at every level. 100% of all donations go directly back into the league. Everyone donating will receive a receipt for your donation with our non-profit tax ID information. We have a variety of sponsorship levels and if you have a specific aspect of the upgrades you're interested in sponsoring then we can work with you to address that project. Any other donations will be gladly accepted in any other amount.
